

Westin Underground parkade – Lot 001:

Kindly note parking is subject to availability and based on first come first basis.

The garage code to enter the Westin underground parkade is **3256#**

Guests can scan the QR code below and register their license plates in advance or when they arrive at the hotel. The instructions are pretty straight forward once you enter the QR code.

Guests can proceed to level C or D to park their cars

Code to be entered when registering the license plate in the QR code: ZWOF

For the Option #3 (lot #197) – Westin Overflow - does not require a garage code. The same QR code works at this lot too.

** Kindly be advised that the special parking rate offered is only available through the QR code and is not set at the till machines located at both parking lots.
